## Welcome Exhibitors!

- **LOADING IN / OUT:** The hotel has (1) dock to receive all shipments needed for hotel operation and at times it can be quite busy. Companies needing to unload using the dock must have a truck with a lift gate. The driveway leading to the dock slopes for semi deliveries. As you are un-loading/loading your equipment, please be mindful that others might be waiting for access to the dock. We ask that you be quick and not leave your vehicle parked at the dock for extended times. The hotel does not have equipment such as dollies or pallet jacks to loan vendors. Please make certain you bring the necessary equipment needed to move in / out of the exhibit space.

If you do not need access to the dock, you can unload/load into the Waters Ballroom on the north side of the building. Upon your arrival, please notify staff, which doors you'll be needing access to as there is no way to open the doors from the outside of the building. Once your materials are in the hotel, we ask vendors park in the northern most parking lot. This will free up the closer parking spots for the attendees.

- **POWER / AV EQUIPMENT NEEDS:** Attached is the Exhibitor Order Form. Equipment orders received in advance of the scheduled move in date will be set & ready in your assigned exhibit space. Orders received day of move in are subject to 20% "Day of Event Order Fee". Your credit card will be charged the day of the event and a receipt will be emailed to the address noted on the form.
