

# INDIANA OPTOMETRIC ASSOCIATION 2024 Dues Renewal

**ACTION  
REQUIRED**

The IOA is pleased to announce that there will be **NO DUES INCREASE** in 2024!

This card includes all the information you need to pay your membership for the year. **2024 dues invoices will be sent via email.** You will not be receiving a paper copy in the mail.

### **Dues Payment Schedule**

You may pay your dues in full, quarterly (January/April/July/October), or in 12 equal payments (January through December). Choosing the quarterly or monthly option online will enroll you in autopay to ensure your credit card information remains secure and is not retained by IOA. If you would like to change the schedule of your payments, please call (317) 237-3560 or email [dues@ioa.org](mailto:dues@ioa.org). *If you are already enrolled in autopay, no action is needed on your part.*

### **Change in Membership Classification**

The AOA allows members to change their membership classification only once during a membership year. **The change must be submitted between January 1 and April 30.** Changes requested before April 30 will be retroactively applied and will become effective at the beginning of the current membership year. Any change requests received after April 30 will become effective on January 1 of the following year.

### **Lobbying Tax Deductibility for 2024**

Dues payments made to the IOA and AOA may be tax deductible as ordinary and necessary business expenses subject to restrictions imposed because of association lobbying activities. The AOA estimates that the nondeductible portion of your AOA 2024 dues, the portion that is allocable to lobbying and political activities, is 11%. The Indiana Optometric Association’s nondeductible portion of your 2024 IOA dues is estimated to be 5%.
